17th December 2021

Dear Parent

Not long to go now until the big day!

In school, we have managed to keep our Christmas festivities as normal as possible. The children are all very excited and can't wait for Santa to come.

I would like to thank you for all your understanding this term in relation to any Covid related issues we may have had such as not being able to welcome you into the building as often as we would have liked or asking you to get your children tested if they displayed any symptoms. Your support throughout has been amazing and we consider ourselves very lucky.

This has been a challenging term for all schools and I feel that Central Integrated P S staff have responded to everything as always in a professional and caring manner. We are all looking forward to a couple of weeks of rest and recuperation!

On behalf of the Governors and all of the staff may I take this opportunity to wish you all a Merry Christmas and a Healthy and Happy New Year.

Yours sincerely

N Hall
Principal
