## Primary 1 Applications for September 2022

## Parent Interviews for P1-7 pupils

The EA online portal for Primary 1 applications for September 2022 is now open - to make an application go directly to the EA website. The application process itself is straightforward. There has been a very heavy demand on the EA website over the past few days and some parents have experienced difficulty with the website. However, do not worry as you have until the 28th of January to apply for your school place. It is important that applications are made on time as late applications may adversely impact on your chances for admission. Verifying documents, such as birth certificates and proof of address, should be uploaded via the 'document upload' section. Please do not hesitate to ask if we can be of any assistance. **If you need any help with the online application process feel free to call the school at any time and we will be happy to help!**
